

Hugo Freeman

updated February 5, 2026

Research area: Econometric theory

Michigan State University

Department of Economics

486 W Circle Dr, MAH, East Lansing, MI 48824

Email: `freem391 {at} msu.edu`

Citizenship: Australian and British

Place of stay: Okemos, Michigan

Place of birth: Melbourne, Australia

Family status: Married, two children

Professional Positions

2024 Jan - Present Assistant Professor, Michigan State University

2023 Aug - 2023 Dec Instructor, Michigan State University

2013 - 2016 Data analyst (Digital Alchemy Sydney, Australia)

Education

2018 - 2023 PhD in Economics, University College London

2017 - 2018 Master of Research (distinction) in Economics, University College London

2016 - 2017 Master of Science (distinction) in Economics, University College London

2008 - 2012 BA/MA in Economics, The University of Sydney

Awards and honors

2020 - 2023 CeMMaP PhD Scholar

2019 - 2023 European Research Council studentship

2022 Winner of IAAE Best Student Paper Prize

Publications

1. Hugo Freeman and Martin Weidner. Linear panel regressions with two-way unobserved heterogeneity. *Journal of Econometrics*, 237(1):105498, 2023
2. Iván Fernández-Val, Hugo Freeman, and Martin Weidner. Low-rank approximations of nonseparable panel models. *The Econometrics Journal*, 24(2):C40–C77, 2021

Working papers and Work in Progress

1. Hugo Freeman. Linear multidimensional regression with interactive fixed-effects. *arXiv preprint arXiv:2209.11691*, 2024 (winner of IAAE best student paper prize)
 2. Hugo Freeman and Dennis Kristensen. Inference on linear regressions with two-way unobserved heterogeneity
-

Teaching

Introduction to Econometrics (Undergraduate, MSU): 2024, 2025

Cross Section and Panel Data Econometrics II (Graduate second-year, MSU): 2024, 2025

Big Data Analytics (Teaching assistant, Masters, UCL School of Management): 2020, 2021, 2022, 2023

Peer review assignments

Quantitative Economics, Journal of Econometrics, Econometric Reviews, Econometrics Journal, Journal of Business and Economics Statistics, Empirical Economics

Professional Activities

Advising committee

Jingyue Cui (Michigan State University)

Seminar & Conference Organisation

MSU Econometrics Workshop October 2025 titled “Advances in Treatment Effect Econometrics”

MSU Econometrics Workshop October 2024 titled “Advances in High-Dimensional Inference”

Conferences and seminars

- 2026 University of Chicago, Economics Department (scheduled)
 University of Michigan, Economics Department (scheduled)
- 2025 CEME Conference for Young Econometricians at NYU
 Econometric Society World Congress, Seoul
 International Association of Applied Econometrics, Turin
 Royal Economic Society meeting, Birmingham
- 2024 Econometrics Society Australasian Summer Meeting
 Boston College Seminar
 Econometric Society Interdisciplinary Frontiers AI/ML conference
 North American Summer Meeting Econometric Society
 Duke University class of 2022-2023 Microeconometrics conference
- 2023 Southern Economics Association annual meeting New Orleans
 Midwest Econometrics Group, Cleveland Fed
 Ohio State University Seminar
 Bristol econometrics study group
 Oxford workshop on Encounters in Econometric Theory
 University of Bristol
 University Pompeu Fabra
 Michigan State University
 University of Surrey
 Royal Holloway London
 Erasmus University, Rotterdam
 University of Queensland (online)
 University of Essex
- 2022 Philadelphia Fed Young Scholars Conference on Machine Learning
 European Winter Meeting of the Econometric Society
 Erasmus University Rotterdam International Econometrics PhD Conference
 Midwest Econometrics Group, Michigan State University
 Warwick quantitative solutions & networking series
 Bristol econometrics study group
 IAAE conference (winner of best student paper)
 International panel data conference
 Oxford workshop on panel data with discrete choice data

2021 Bristol econometrics study group
International panel data conference

2019 Barcelona graduate school of economics summer school (poster)
